ECTP CONFERENCE 2024 DRAFT PROGRAMME (v. 2024-02-15)

	ECTP CONFERENCE 2024 DRAFT PR	5 CHAMME (W 2024 52 15)	
	5 March 2024		
08:30-09:00	Welcome coffee & registration		
		stol 2&3&4	
	WELCOME & OPENING		
	Chair: Paul Cartuyvels (Bouygues Europe, ECTP President)		
	Welcome from Paul Cartuwels (Bouygues Europe, ECTP President)		
09:00-10:00	* KEYNOTE on EU Policies Sustaining Energy Efficiency, Decarbonation and Circular Economy in the Construction and Built Environment Sector		
03.00 10.00			
	Stefan Moser, Head of Unit for Buildings and Products, European Commission, DG Energy		
	* KEYNOTE by Martina De Sole, Director, European Network of Living Labs (ENOLL)		
	Introduction to the Conference agenda & parallel sessions, Alain Zarli (ECTP Secretary General)		
	NETWORKING CLUSTERS THROUGH EUROPE TO REACH THE AMBITIONS OF THE 84P PARTNERSHIP AND OF THE NEW EUROPEAN BAUHAUS		
	Chairs: Karine Laffont-Eloire (DOWEL Innovation), Isabel Pinto-Seppä (VTT), Anastasiya Yurchyshyna & Alain Zarli (ECTP)		
	Introduction by Isabel Pinto-Seppä (VTT)		
10.00 11.00	<u>Presentations</u>		
10:00-11:00	The to be commed (Electrication boundaries) and pear the distribution and bigital Executive (igency) citizing		
	* Shaping the Future: The New European Bauhaus – Vision and achievements (Emilie Vandam, Policy Officer, JRC, Unit B.4 - New European Bauhaus)		
	* NEBULA: a bridge between the B4P Partnership and the New European Bauhaus (Karine Laffont-Eloire - DOWEL Innovation, Anastasiya Yurchyshyna - ECTP)		
* B4PIC Aquitaine-Euskadi(-Navarra): the first B4PIC is born, let's learn from its first steps (Claudia Hunziker Keller - NOBATEK/INEF4)			
	Conclusion by Isabel Pinto-Seppä (VTT) & Alain Zarli (ECTP)		
11:00-11:30			
11.00 11.50			
	NEXT: A JOURNEY INTO THE FUTURE OF CONSTRUCTION & BUILT ENVIRONMENT		
	Chairs: Rita Moura (PTPC, ECTP Vice-President, Digital Built Environment Commitee Chair), Agnieszka Kowalska (ASM Research Solutions Strategy)		
	Introduction by Rita Moura (PTPC)		
	<u>Presentations</u>		
11:30-12:30			
	* Navigating the future landscape of the built environment (Joanna Syrda and Agnieszka Kowalska - ASM Research Solutions Strategy)		
	Panel discussion		
	Christina Claeson-Jonsson (ENCORD), Ilari Aho (Uponor Corporation, ECTP Presidium), Nedin N	/Juratovic (Umdasch Group) - Moderator: Rita Moura (PTPC)	
	Q&A Exchange with audience and panel discussion summary		
13:00-14:15	Lunch break		
	Room Bristol 2&3&4	Room Bristol 1	
	NATURE-BASED SOLUTIONS AND RENATURING THE BUILT ENVIRONMENT	MATERIALS AND SUSTAINABLE SOLUTIONS FOR A CIRCULAR BUILT ENVIRONMENT	
		Chairs: Gian-Marco Revel (Università Politecnica Delle Marche, ECTP Vice-President,	
	Chairs: Clemente Fuggini (RINA), Beatriz Pineda (RMIT)	Materials & Sustainability Commitee Chair), Javier Bonilla (ACCIONA, ECTP Vice-President,	
		Built Environment Decarbonisation Commitee Chair)	
	Introduction by the session organizer and presentation of the ECTP position paper on NBS		
	Clemente Fuggini (RINA) / Beatriz Pineda (RMIT)	Introduction by Gian-Marco Revel (Università Politecnica Delle Marche)	
		<u>Presentations</u>	
	<u>Presentations</u>		
	* Nature-based Solutions in synergy with the New European Bauhaus: Creating Sustainable	* Circularity Report by ENCORD (Magnus Österbring - NCC, WG Sustainability leader and co-	
13:45-15:15	Urban Landscapes (Eleni Goni - E ² ARC)	author of the report)	
	* Landanana a Caultal Annaith atau Lananah anna fan atau al a atau (Thiana Kandia	* Building component design as an enabler for a circular built environment (Thaleia

ECTP CONFERENCE 2024 DRAFT PROGRAMME (v. 2024-02-15)

Modposds	ECTP CONFERENCE 2024 DRAFT PROPRIED PRO		
	Welcome coffee		
08.30-03.00	Room Bristol 2&3&4		
	KEYNOTE		
09:00-09:30	Chair: Ilari Aho (Uponor Corporation, ECTP Presidium)		
i	Industry experiences on the acceleration of low-carbon buildings - Milmu Airaksinen, Senior Vice President, Development, SRV Group Plc.		
	Room Bristol 2&3&4	Room Bristol 1	
	ENERGY EFFICIENCY IN BUILDINGS AND DISTRICTS WITHIN THE SET PLAN	INFRASTRUCTURE AND BUILT ENVIRONMENT RESILIENCE TO MAN-MADE AND NATURE EVENTS	
	Chairs: Cornelia Partsch (ECTP), Nicolas de la Vega (EUREC)	Chairs: Clemente Fuggini (RINA), Miguel Segarra (DRAGADOS, ECTP Vice-President,	
	Buildings as part of the European energy system	Infrastructure & Mobility Commitee Chair)	
i	* Introduction into the SET-Plan (Anna Sobczak - European Commission, DG ENER)	Welcome & introduction by Clemente Fuggini (RINA)	
09:35-11:05	* Overview of IWG5 (Cornelia Partsch - ECTP)	<u>Presentations</u>	
03.55 11.05	* Analysis of 2023 NECP drafts for R&I measures in buildings (Nicolas de la Vega - EUREC)	* Resilience of road infrastructure – being ahead of the game (Thierry Goger - FEHRL)	
	Q&A coordinated by Cornelia Partsch (ECTP) and Nicolas de la Vega (EUREC)	* Title to be confirmed (Steve Phillips - CEDR)	
	Buildings as an essential part of the transition. Challenges and solutions / Short input of the	* Title to be confirmed (Jesus Isoird - TECNALIA)	
	task forces of IWG5 CSA	* Title to be confirmed (Stergios Mitoulis - University of Birmingham)	
	* Active Modules (Alessandro Pracucci - Focchi Group) * Sustainable (Advanced Materials (Cian Massa Paul) Università Politocaisa della Massa)		
	* Sustainable/Advanced Materials (Gian-Marco Revel - Università Politecnica delle Marche) * Digitalisation of buildings (Huub Keizers - TNO)	Conclusion by Miguel Segarra (DRAGADOS, ECTP Vice-President, Infrastructure & Mobility	
	Q&A coordinated by Cornelia Partsch (ECTP) and Nicolas de la Vega (EUREC)	Commitee Chair)	
	Quan coordinated by contena ranscri (ECTT) and Nicolas de la Vega (EONEC)		
11:05-11:30	Coffee break		
	INTEGRATED DIGITALISATION FOR THE BUILT ENVIRONMENT	THE TECHNICAL CHALLENGES OF APPLYING CIRCULAR APPROACHES IN DISTRICT RENOVATION	
	Chairs: Joao Moutinho (PTPC), Noemi Jimenez Redondo (CEMOSA), Johanna Kuusisto (VTT)	Chairs: Joao Goncalves (Housing Europe), Nerea Gomez (ECTP)	
	Digital Built Environment (DBE) foundations: ECTP DBE Committee, DBE Position Paper, DBE topics in ECTP SRIA (João Moutinho - PTPC) Presentations	System's Change: Transitioning from Linear to Circular Thinking (Mona Nasseredine - CSTB)	
	1. CEMBOX: A Digital Twin system for buildings and civil infrastructure assets management	<u>Lighthouse Projects</u>	
11:30-13:00	(Gloria Calleja Rodríguez and Jose Solís Hernández - CEMOSA)	* La Meta, Vilogia (tbc) * 6 demonstration Climate-Positive Circular Communities in Europe (Arild Gustavsen -	
	2. Cities' transformation as smart and sustainable built environment (Johanna Kuusisto - VTT)	NTNU)	
	3. Buildings with "Feeling": Harnessing Data Analytics for Real-Time Decisions and		
	Empathic Architecture (Irene López de Vallejo - CTIC)	Knowledge Support Tools	
	4. European Digital Innovation Hubs – a tool for the construction stakeholders (Gaspard	* SHAPE Blueprints (Nerea Gomez - ECTP) * a market place from the light to the market (Clare Meth. Henrica Fuzza)	
i	Demur, EC DG CNECT) / (Luigi Perissich - Federcostruzioni) / (João Moutinho - PTPC)	* e-marketplace: from the lab to the market (Clara Mafé - Housing Europe)	
i	Exchange with audience, Mentimeter poll	Interactive session	
	Wrap-up: Next steps / Digital Built Environment topics for 2024	6 rounds of 5 min speed datings between participants to find business matchmaking	
13:00-14:15	Lunch break	_ · · · · · · · · · · · · · · · · · · ·

	HOW OPEN INNOVATION TESTBEDS (OITBs) AND THE METABUILDING PLATFORM STRUCTURE AND FACILITATE A CROSS-SECTORAL EU BUILT ENVIRONMENT INNOVATION		
	Chairs: Claudia Hunziker Keller (NOBATEK/INEF4), Germain Adell (Metabuilding ASBL), Bernard Gilmont (European Aluminium Association)		
	Introduction: Presenting the innovation ecosystem approach applied to the Built Environme		
	<u>Presentations</u>		
i	1. The OITBs facilitating universal access to innovation coaching, testing and certification services across the EU being developed in 3 ongoing OITB projects for the building envelope		
14.13-13.30	(Roberto Lollini, EURAC, from MeZeroE project) The Metabuilding platform and its read man as the digital backhane, enabler of connections between the main actors of the ecceptation and ubiquitous provider of transversal ICT.		
	2. The Metabuilding platform and its road map as the digital backbone, enabler of connections between the main actors of the ecosystem and ubiquitous provider of transversal ICT services (Digital Product Passports, Digital building logbooks, Digital twins) (Emre Yontem, EcoWise)		
	services (Digital Product Passports, Digital building logbooks, Digital twins) (Emre Yontem, Ecowise) 3. The Built4People Innovation clusters providing innovation support at regional level and facilitating collaboration within the Built4People Innovation Cluster Network (Claudia		
	Hunziker Keller, NOBATEK/INEF4)		
	4. The O3BETs - low cost building envelope testbenches in different climate-zones helping to speed up innovation, testing and transfer to market: from E2VENT to METABUILDING LABS		
	(Bernard Gilmont, European Aluminium Association)		
	Debate moderated by Tom Messervey (R2M Italy)		
	CLOSING SESSION		
	Chair: Paul Cartuyvels (Bouygues Europe, ECTP President)		
15:30-16:00	* KEYNOTE to be confirmed		
	Conclusion by Paul Cartuyvels (ECTP President) and Alain Zarli (ECTP Secretary General)		
1	conclusion by I aut Cartuyveis (LCTF Freshuein) and Aldin Zain (ECTF Secretary General)
